DETAILED ACTION

Claim Rejections - 35 USC § 112

Claims 12, 13 and 20 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Specifically the claim limitation "capable of" fails to distinctly point out what the function the claimed invention performs. The language capable of provides for the ability to perform a function thus is not definite.

Allowable Subject Matter

Claims 1-11, 16-18, 23-25 are allowed.

Claims 14, 15, 21 and 22 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.
